Public invited to 'Golf and Gun Fun' at Fort Polk

FORT POLK, LA. - Fort Polk's Morale, Welfare and Recreation program invites the public to two upcoming events at Warrior Hills Golf Course and the Shooting Complex.

The first event is Friday, May 25 at the golf course. Warrior Hills Golf Course will host a Demonstration Day from 10:00 to 2:00 p.m. Area golfers will be able to meet representatives from golf's top equipment manufacturers. Pavilions facing the hitting area at Warrior Hills will house Callaway, Cleveland, Cobra, Ping and Titleist representatives.

Representatives will give golfers the opportunity to try out all the newest clubs. Take a "whack" at the new wedges, irons, hybrids, woods and drivers and compare each brand. According to Jim Doulin, the Warrior Hills golf professional, customers will be able to purchase clubs at beefy discounts.

While golfers compare brands, the staff of Warrior Hills will be out grilling hamburgers and hot dogs. Also included in the day's activities are door prizes donated by each vendor. For more information or questions, call Warrior Hills at 531-4661.

All area black powder marksmen are invited to join other enthusiasts in organizing a local muzzle loader team that will compete locally and elsewhere in the region. "We'd like to invite all traditional shooters to join the group, whether you shoot a flintlock or one of the new inline rifles," says Jim Callaway, MWR's range master.

Call (337) 531-6591 or sign up on your next visit. For more information on these or any MWR event and activities, call the Morale, Welfare and Recreation Marketing office at 531-1959.
